#MULT!NCLUDE

Inclusion Workshop Concept

Module 1: Individual and General Introduction

Individual and General Introduction

Duration: 30 Minutes

Throughout the introduction, participants and the workshop leader get the chance to get to know each other. It is proposed to choose aspects for the individual introduction of all participants regarding their knowledge and experiences on inclusion. Supported by the introduction slides, the workshop leader gives a general introduction and overview of what is going to happen in this workshop.

Activity and Method	Things to be aware of
Individual introduction: Underline: For example: • Name • Institution • Special interest … or any introduction game or method you would prefer. **General introduction** • Plan for the workshop • About the Multinclude Project	**Materials**: • Name tags • List of member • PPP Slide 2-4 **Number of Participants**: • No maximum **Please note:** • The duration should be no longer than 30 minutes, which can be a struggle if there are many participants that don't know each other • If there are a lot of participants, give clear instructions what they should say about themselves • The participants, in case of substitutions etc., should fill out the name tags. **Variations:** • With a smaller group you can add the time to other modules, the break, or finish the workshop earlier
